

| english name           | scientific name               | status                                                                              |
|------------------------|-------------------------------|-------------------------------------------------------------------------------------|
| Red-throated Diver     | <i>Gavia stellata</i>         | rare migrant; on the Bodrog and Tisza Rivers                                        |
| Black-throated Diver   | <i>Gavia arctica</i>          | rare migrant; on the Bodrog and Tisza Rivers                                        |
| Little Grebe           | <i>Tachybaptus ruficollis</i> | common breeding bird and migrant; Bodrog floodplain                                 |
| Great Crested Grebe    | <i>Podiceps cristatus</i>     | common breeding bird and migrant; Bodrog floodplain                                 |
| Red-necked Grebe       | <i>Podiceps griseogen</i>     | uncommon migrant; Bodrog floodplain                                                 |
| Black-necked Grebe     | <i>Podiceps nigricollis</i>   | common migrant and uncommon breeding bird; Bodrog floodplain                        |
| Cormorant              | <i>Phalacrocorax carbo</i>    | common breeding bird and migrant; Bodrog floodplain                                 |
| Pygmy Cormorant        | <i>Phalacrocorax pygmeus</i>  | rare migrant; Bodrog floodplain                                                     |
| Bittern                | <i>Botaurus stellaris</i>     | uncommon breeding bird and migrant; Bodrog floodplain                               |
| Little Bittern         | <i>Ixobrychus minutus</i>     | uncommon breeding bird and migrant; Bodrog floodplain                               |
| Night Heron            | <i>Nycticorax nycticorax</i>  | uncommon breeding bird and migrant; Bodrog floodplain                               |
| Squacco Heron          | <i>Ardeola ralloides</i>      | uncommon migrant                                                                    |
| Little Egret           | <i>Egretta garzetta</i>       | common migrant; Bodrog floodplain                                                   |
| Great White Egret      | <i>Egretta alba</i>           | common breeding bird and migrant; Bodrog floodplain                                 |
| Grey Heron             | <i>Ardea cinerea</i>          | common breeding bird and migrant; Bodrog floodplain                                 |
| Purple Heron           | <i>Ardea purpurea</i>         | uncommon breeding bird and migrant; Bodrog floodplain                               |
| Black Stork            | <i>Ciconia nigra</i>          | uncommon breeding bird and migrant; large numbers in the Bodrog floodplain (August) |
| White Stork            | <i>Ciconia ciconia</i>        | common breeding bird and migrant; villages                                          |
| Glossy Ibis            | <i>Plegadis falcinellus</i>   | rare migrant                                                                        |
| Eurasian Spoonbill     | <i>Platalea leucorodia</i>    | uncommon migrant; Bodrog floodplain                                                 |
| Mute Swan              | <i>Cygnus olor</i>            | common breeding bird and migrant; Bodrog floodplain                                 |
| Whooper Swan           | <i>Cygnus cygnus</i>          | rare migrant                                                                        |
| Bean Goose             | <i>Anser fabalis</i>          | uncommon migrant; Bodrog floodplain                                                 |
| White-fronted Goose    | <i>Anser albifrons</i>        | common migrant; Bodrog floodplain                                                   |
| Greylag Goose          | <i>Anser anser</i>            | common breeding bird and migrant; Bodrog floodplain                                 |
| Shelduck               | <i>Tadorna tadorna</i>        | rare migrant; Bodrog floodplain                                                     |
| Wigeon                 | <i>Anas penelope</i>          | common migrant; Bodrog floodplain                                                   |
| Gadwall                | <i>Anas strepera</i>          | uncommon migrant and rare breeding bird; Bodrog floodplain                          |
| Teal                   | <i>Anas crecca</i>            | common migrant; Bodrog floodplain                                                   |
| Mallard                | <i>Anas platyrhynchos</i>     | common breeding bird and migrant; Bodrog floodplain                                 |
| Pintail                | <i>Anas acuta</i>             | common migrant; Bodrog floodplain                                                   |
| Garganey               | <i>Anas querquedula</i>       | common migrant and uncommon breeding bird; Bodrog floodplain                        |
| Shoveler               | <i>Anas clypeata</i>          | common migrant and rare breeding bird; Bodrog floodplain                            |
| Red-crested Pochard    | <i>Netta rufina</i>           | rare migrant                                                                        |
| Pochard                | <i>Aythya ferina</i>          | common breeding bird and migrant; Bodrog floodplain                                 |
| Ferruginous Duck       | <i>Aythya nyroca</i>          | common breeding bird and migrant; Bodrog floodplain                                 |
| Tufted Duck            | <i>Aythya fuligula</i>        | common migrant                                                                      |
| Scaup                  | <i>Aythya marila</i>          | uncommon migrant                                                                    |
| Long-tailed Duck       | <i>Clangula hyemalis</i>      | vagrant                                                                             |
| Goldeneye              | <i>Bucephala clangula</i>     | uncommon migrant                                                                    |
| Smew                   | <i>Mergus albellus</i>        | uncommon migrant                                                                    |
| Red-breasted Merganser | <i>Mergus serrator</i>        | rare migrant                                                                        |
| Goosander              | <i>Mergus merganser</i>       | rare migrant                                                                        |
| Honey-buzzard          | <i>Pernis apivorus</i>        | common breeding bird and migrant (May-August)                                       |
| Black Kite             | <i>Milvus migrans</i>         | uncommon breeding bird and migrant; Bodrog floodplain                               |
| Red Kite               | <i>Milvus milvus</i>          | rare migrant; a former breeding species                                             |
| White-tailed Eagle     | <i>Haliaeetus albicilla</i>   | uncommon breeding bird and migrant                                                  |
| Griffon Vulture        | <i>Gyps fulvus</i>            | vagrant                                                                             |
| Short-toed Eagle       | <i>Circaetus gallicus</i>     | uncommon breeding bird and migrant                                                  |
| Marsh Harrier          | <i>Circus aeruginosus</i>     | common breeding bird and migrant; Bodrog floodplain                                 |
| Hen Harrier            | <i>Circus cyaneus</i>         | common migrant (+ winter visitor)                                                   |
| Pallid Harrier         | <i>Circus macrourus</i>       | rare migrant                                                                        |
| Montagu's Harrier      | <i>Circus pygargus</i>        | uncommon migrant                                                                    |
| Goshawk                | <i>Accipiter gentilis</i>     | common breeding bird                                                                |
| Sparrowhawk            | <i>Accipiter nisus</i>        | common breeding bird and migrant                                                    |
| Buzzard                | <i>Buteo buteo</i>            | common breeding bird and migrant                                                    |
| Long-legged Buzzard    | <i>Buteo rufinus</i>          | rare migrant                                                                        |
| Rough-legged Buzzard   | <i>Buteo lagopus</i>          | uncommon migrant (+ winter visitor)                                                 |

|                        |                               |                                                              |
|------------------------|-------------------------------|--------------------------------------------------------------|
| Lesser Spotted Eagle   | <i>Aquila pomarina</i>        | uncommon breeding bird and migrant                           |
| Spotted Eagle          | <i>Aquila clanga</i>          | rare migrant                                                 |
| Imperial Eagle         | <i>Aquila heliaca</i>         | uncommon breeding bird and migrant                           |
| Golden Eagle           | <i>Aquila chrysaetos</i>      | rare breeding bird                                           |
| Booted Eagle           | <i>Hieraaetus pennatus</i>    | rare migrant; a former breeding species                      |
| Osprey                 | <i>Pandion haliaetus</i>      | uncommon migrant                                             |
| Kestrel                | <i>Falco tinnunculus</i>      | common breeding bird and migrant                             |
| Red-footed Falcon      | <i>Falco vespertinus</i>      | uncommon migrant and rare breeding bird                      |
| Merlin                 | <i>Falco columbarius</i>      | uncommon migrant (+ winter visitor)                          |
| Hobby                  | <i>Falco subbuteo</i>         | common breeding bird and migrant                             |
| Saker                  | <i>Falco cherrug</i>          | uncommon breeding bird and migrant                           |
| Peregrine              | <i>Falco peregrinus</i>       | uncommon migrant and rare breeding bird                      |
| Hazel Grouse           | <i>Bonasa bonasia</i>         | rare breeding bird                                           |
| Partridge              | <i>Perdix perdix</i>          | uncommon breeding bird                                       |
| Quail                  | <i>Coturnix coturnix</i>      | common breeding bird and migrant                             |
| Pheasant               | <i>Phasianus colchicus</i>    | common breeding bird                                         |
| Water Rail             | <i>Rallus aquaticus</i>       | common breeding bird and migrant                             |
| Spotted Crake          | <i>Porzana porzana</i>        | uncommon breeding bird and migrant; Bodrog floodplain        |
| Little Crake           | <i>Porzana parva</i>          | uncommon breeding bird and migrant; Bodrog floodplain        |
| Corncrake              | <i>Crex crex</i>              | common breeding bird and migrant                             |
| Moorhen                | <i>Gallinula chloropus</i>    | common breeding bird and migrant; Bodrog floodplain          |
| Coot                   | <i>Fulica atra</i>            | common breeding bird and migrant; Bodrog floodplain          |
| Crane                  | <i>Grus grus</i>              | common migrant (mostly in flight)                            |
| Oystercatcher          | <i>Haematopus ostralegus</i>  | rare migrant                                                 |
| Black-winged Stilt     | <i>Himantopus himantopus</i>  | uncommon migrant and rare breeding bird; Bodrog floodplain   |
| Avocet                 | <i>Recurvirostra avosetta</i> | uncommon migrant; Bodrog floodplain                          |
| Little Ringed Plover   | <i>Charadrius dubius</i>      | common breeding bird and migrant                             |
| Ringed Plover          | <i>Charadrius hiaticula</i>   | uncommon migrant                                             |
| Dotterel               | <i>Charadrius morinellus</i>  | vagrant                                                      |
| Golden Plover          | <i>Pluvialis apricaria</i>    | uncommon migrant                                             |
| Grey Plover            | <i>Pluvialis squatarola</i>   | uncommon migrant                                             |
| Lapwing                | <i>Vanellus vanellus</i>      | common breeding bird and migrant                             |
| Knot                   | <i>Calidris canutus</i>       | rare migrant                                                 |
| Sanderling             | <i>Calidris alba</i>          | rare migrant                                                 |
| Little Stint           | <i>Calidris minuta</i>        | uncommon migrant                                             |
| Temminck's Stint       | <i>Calidris temminckii</i>    | uncommon migrant                                             |
| Curlew Sandpiper       | <i>Calidris ferruginea</i>    | uncommon migrant                                             |
| Dunlin                 | <i>Calidris alpina</i>        | uncommon migrant                                             |
| Broad-billed Sandpiper | <i>Limicola falcinellus</i>   | rare migrant                                                 |
| Ruff                   | <i>Philomachus pugnax</i>     | common migrant                                               |
| Jack Snipe             | <i>Lymnocyptes minimus</i>    | uncommon migrant                                             |
| Snipe                  | <i>Gallinago gallinago</i>    | common migrant                                               |
| Great Snipe            | <i>Gallinago media</i>        | rare migrant                                                 |
| Woodcock               | <i>Scolopax rusticola</i>     | common migrant and rare breeding bird                        |
| Black-tailed Godwit    | <i>Limosa limosa</i>          | common migrant and uncommon breeding bird; Bodrog floodplain |
| Bar-tailed Godwit      | <i>Limosa lapponica</i>       | rare migrant                                                 |
| Whimbrel               | <i>Numenius phaeopus</i>      | uncommon migrant                                             |
| Curlew                 | <i>Numenius arquata</i>       | common migrant                                               |
| Spotted Redshank       | <i>Tringa erythropus</i>      | common migrant                                               |
| Redshank               | <i>Tringa totanus</i>         | common migrant and uncommon breeding bird; Bodrog floodplain |
| Marsh Sandpiper        | <i>Tringa stagnatilis</i>     | uncommon migrant                                             |
| Greenshank             | <i>Tringa nebularia</i>       | common migrant                                               |
| Green Sandpiper        | <i>Tringa ocropus</i>         | common migrant                                               |
| Wood Sandpiper         | <i>Tringa glareola</i>        | common migrant                                               |
| Common Sandpiper       | <i>Actitis hypoleucos</i>     | common migrant and uncommon breeding bird along rivers       |
| Turnstone              | <i>Arenaria interpres</i>     | rare migrant                                                 |
| Red-necked Phalarope   | <i>Phalaropus lobatus</i>     | rare migrant                                                 |
| Mediterranean Gull     | <i>Larus melanocephalus</i>   | uncommon migrant                                             |
| Little Gull            | <i>Larus minutus</i>          | common migrant                                               |
| Black-headed Gull      | <i>Larus ridibundus</i>       | common breeding bird and migrant                             |

|                           |                                   |                                                                       |
|---------------------------|-----------------------------------|-----------------------------------------------------------------------|
| Common Gull               | <i>Larus canus</i>                | uncommon migrant (+ winter visitor)                                   |
| Lesser Black-backed Gull  | <i>Larus fuscus</i>               | rare migrant                                                          |
| Yellow-legged Gull        | <i>Larus michahelis</i>           | common migrant                                                        |
| Caspian Gull              | <i>Larus cachinnans</i>           | common migrant                                                        |

| Gull-billed Tern          | <i>Gelochelidon nilotica</i>      | rare migrant                                                          |
| Caspian Tern              | <i>Sterna caspia</i>              | rare migrant                                                          |
| Sandwich Tern             | <i>Sterna sandvicensis</i>        | vagrant                                                               |
| Common Tern               | <i>Sterna hirundo</i>             | common migrant and uncommon breeding bird                             |
| Little Tern               | <i>Sterna albifrons</i>           | rare migrant                                                          |
| Whiskered Tern            | <i>Chlidonias hybridus</i>        | common breeding bird and migrant                                      |
| Black Tern                | <i>Chlidonias niger</i>           | common breeding bird and migrant                                      |
| White-winged Black Tern   | <i>Chlidonias leucopterus</i>     | common migrant and rare, irregular breeding bird                      |
| Feral Pigeon              | <i>Columba livia f. domestica</i> | common breeding bird                                                  |
| Stock Dove                | <i>Columba oenas</i>              | common breeding bird and migrant                                      |
| Wood Pigeon               | <i>Columba palumbus</i>           | common breeding bird and migrant                                      |
| Collared Dove             | <i>Streptopelia decaocto</i>      | common breeding bird                                                  |
| Turtle Dove               | <i>Streptopelia turtur</i>        | common breeding bird and migrant                                      |
| Cuckoo                    | <i>Cuculus canorus</i>            | common breeding bird and migrant                                      |
| Barn Owl                  | <i>Tyto alba</i>                  | uncommon breeding bird and migrant                                    |
| Scops Owl                 | <i>Otus scops</i>                 | rare breeding bird; formerly uncommon breeding bird                   |
| Eagle Owl                 | <i>Bubo bubo</i>                  | uncommon breeding bird                                                |
| Little Owl                | <i>Athene noctua</i>              | uncommon breeding bird                                                |
| Tawny Owl                 | <i>Strix aluco</i>                | common breeding bird                                                  |
| Ural Owl                  | <i>Strix uralensis</i>            | uncommon breeding bird                                                |
| Long-eared Owl            | <i>Asio otus</i>                  | common breeding bird and migrant (+ winter visitor)                   |
| Short-eared Owl           | <i>Asio flammeus</i>              | uncommon migrant (+ winter visitor) and rare, irregular breeding bird |
| Tengmalm's Owl            | <i>Aegolius funereus</i>          | rare breeding bird and migrant                                        |
| Nightjar                  | <i>Caprimulgus europaeus</i>      | uncommon breeding bird and migrant                                    |
| Swift                     | <i>Apus apus</i>                  | common breeding bird and migrant                                      |
| Kingfisher                | <i>Alcedo atthis</i>              | common breeding bird and migrant                                      |
| European Bee-eater        | <i>Merops apiaster</i>            | common breeding bird and migrant                                      |
| Roller                    | <i>Coracias garrulus</i>          | uncommon migrant and rare breeding bird                               |
| Hoopoe                    | <i>Upupa epops</i>                | common breeding bird and migrant                                      |
| Wryneck                   | <i>Jynx torquilla</i>             | common breeding bird and migrant                                      |
| Grey-headed Woodpecker    | <i>Picus canus</i>                | uncommon breeding bird                                                |
| Green Woodpecker          | <i>Picus viridis</i>              | uncommon breeding bird                                                |
| Black Woodpecker          | <i>Dryocopus martius</i>          | common breeding bird                                                  |
| Great Spotted Woodpecker  | <i>Dendrocopos major</i>          | common breeding bird                                                  |
| Syrian Woodpecker         | <i>Dendrocopos syriacus</i>       | common breeding bird                                                  |
| Middle Spotted Woodpecker | <i>Dendrocopos medius</i>         | common breeding bird                                                  |
| White-backed Woodpecker   | <i>Dendrocopos leucurus</i>       | uncommon breeding bird                                                |
| Lesser Spotted Woodpecker | <i>Dendrocopos minor</i>          | common breeding bird                                                  |
| Shore Lark                | <i>Eremophila alpestris</i>       | vagrant                                                               |
| Crested Lark              | <i>Galerida cristata</i>          | common breeding bird                                                  |
| Woodlark                  | <i>Lullula arborea</i>            | common breeding bird and migrant                                      |
| Skylark                   | <i>Alauda arvensis</i>            | common breeding bird and migrant                                      |
| Sand Martin               | <i>Riparia riparia</i>            | common breeding bird and migrant                                      |
| Barn Swallow              | <i>Hirundo rustica</i>            | common breeding bird and migrant                                      |
| House Martin              | <i>Delichon urbica</i>            | common breeding bird and migrant                                      |
| Tawny Pipit               | <i>Anthus campestris</i>          | uncommon breeding bird and migrant                                    |
| Tree Pipit                | <i>Anthus trivialis</i>           | common breeding bird and migrant                                      |
| Meadow Pipit              | <i>Anthus pratensis</i>           | common migrant                                                        |
| Red-throated Pipit        | <i>Anthus cervinus</i>            | uncommon migrant                                                      |
| Water Pipit               | <i>Anthus spinoletta</i>          | uncommon migrant (+ winter visitor)                                   |
| Yellow Wagtail            | <i>Motacilla flava</i>            | common breeding bird and migrant                                      |
| Grey Wagtail              | <i>Motacilla cinerea</i>          | common breeding bird and migrant                                      |
| Pied Wagtail              | <i>Motacilla alba</i>             | common breeding bird and migrant                                      |
| Waxwing                   | <i>Bombycilla garrulus</i>        | uncommon migrant (+ winter visitor)                                   |
| Dipper                    | <i>Cinclus cinclus</i>            | rare breeding bird and uncommon migrant                               |

|-------------------------|-----------------------------------|--------------------------------------------------------------|
| Wren                    | <i>Troglodytes troglodytes</i>    | common breeding bird                                         |
| Dunnock                 | <i>Prunella modularis</i>         | uncommon breeding bird and migrant                           |
| Alpine Accentor         | <i>Prunella collaris</i>          | uncommon migrant (+ winter visitor)                          |
| Robin                   | <i>Erithacus rubecula</i>         | common breeding bird and migrant                             |
| Thrush Nightingale      | <i>Luscinia luscinia</i>          | uncommon migrant                                             |
| Nightingale             | <i>Luscinia megarhynchos</i>      | common breeding bird and migrant                             |
| Bluethroat              | <i>Luscinia svecica</i>           | rare breeding bird and migrant                               |
| Black Redstart          | <i>Phoenicurus ochruros</i>       | common breeding bird and migrant                             |
| Redstart                | <i>Phoenicurus phoenicurus</i>    | rare breeding bird and migrant                               |
| Whinchat                | <i>Saxicola rubetra</i>           | common migrant and uncommon breeding bird; Bodrog floodplain |
| Common Stonechat        | <i>Saxicola torquata</i>          | common breeding bird and migrant                             |
| Wheatear                | <i>Oenanthe oenanthe</i>          | common breeding bird and migrant                             |
| Black-eared Wheatear    | <i>Oenanthe hispanica</i>         | vagrant                                                      |
| Rock Thrush             | <i>Monticola saxatilis</i>        | rare migrant; formerly uncommon breeder                      |
| Ring Ouzel              | <i>Turdus torquatus</i>           | uncommon migrant                                             |
| Blackbird               | <i>Turdus merula</i>              | common breeding bird and migrant                             |
| Fieldfare               | <i>Turdus pilaris</i>             | common migrant and rare breeding bird                        |
| Song Thrush             | <i>Turdus philomelos</i>          | common breeding bird and migrant                             |
| Redwing                 | <i>Turdus iliacus</i>             | common migrant (+ winter visitor)                            |
| Mistle Thrush           | <i>Turdus viscivorus</i>          | common breeding bird and migrant                             |
| Grasshopper Warbler     | <i>Locustella naevia</i>          | uncommon breeding bird and migrant                           |
| River Warbler           | <i>Locustella fluviatilis</i>     | common breeding bird and migrant                             |
| Savi's Warbler          | <i>Locustella luscinioides</i>    | uncommon breeding bird and migrant                           |
| Moustached Warbler      | <i>Acrocephalus melanopogon</i>   | rare migrant; probably rare breeding bird                    |
| Sedge Warbler           | <i>Acrocephalus schoenobaenus</i> | common breeding bird and migrant                             |
| Marsh Warbler           | <i>Acrocephalus palustris</i>     | common breeding bird and migrant                             |
| Reed Warbler            | <i>Acrocephalus scirpaceus</i>    | common breeding bird and migrant                             |
| Great Reed Warbler      | <i>Acrocephalus arundinaceus</i>  | common breeding bird and migrant                             |
| Icterine Warbler        | <i>Hippolais icterina</i>         | uncommon migrant and rare breeding bird                      |
| Barred Warbler          | <i>Sylvia nisoria</i>             | common breeding bird and migrant                             |
| Lesser Whitethroat      | <i>Sylvia curruca</i>             | common breeding bird and migrant                             |
| Whitethroat             | <i>Sylvia communis</i>            | common breeding bird and migrant                             |
| Garden Warbler          | <i>Sylvia borin</i>               | uncommon migrant and rare breeding bird                      |
| Blackcap                | <i>Sylvia atricapilla</i>         | common breeding bird and migrant                             |
| Wood Warbler            | <i>Phylloscopus sibilatrix</i>    | common breeding bird and migrant                             |
| Chiffchaff              | <i>Phylloscopus collybita</i>     | common breeding bird and migrant                             |
| Willow Warbler          | <i>Phylloscopus trochilus</i>     | common migrant and rare breeding bird                        |
| Goldcrest               | <i>Regulus regulus</i>            | common breeding bird and uncommon migrant                    |
| Firecrest               | <i>Regulus ignicapillus</i>       | uncommon migrant and rare breeding bird                      |
| Spotted Flycatcher      | <i>Muscicapa striata</i>          | common breeding bird and migrant                             |
| Red-breasted Flycatcher | <i>Ficedula parva</i>             | uncommon migrant and rare breeding bird                      |
| Collared Flycatcher     | <i>Ficedula albicollis</i>        | common breeding bird and migrant                             |
| Pied Flycatcher         | <i>Ficedula hypoleuca</i>         | common migrant and rare breeding bird                        |
| Bearded Tit             | <i>Panurus biarmicus</i>          | common breeding bird                                         |
| Long-tailed Tit         | <i>Aegithalos caudatus</i>        | common breeding bird                                         |
| Marsh Tit               | <i>Parus palustris</i>            | common breeding bird                                         |
| Willow Tit              | <i>Parus montanus</i>             | uncommon breeding bird                                       |
| Crested Tit             | <i>Parus cristatus</i>            | rare (former?) breeding bird                                 |
| Coal Tit                | <i>Parus ater</i>                 | common breeding bird and migrant                             |
| Blue Tit                | <i>Parus caeruleus</i>            | common breeding bird and migrant                             |
| Great Tit               | <i>Parus major</i>                | common breeding bird                                         |
| Nuthatch                | <i>Sitta europaea</i>             | common breeding bird                                         |
| Wallcreeper             | <i>Tichodroma muraria</i>         | uncommon migrant                                             |
| Treecreeper             | <i>Certhia familiaris</i>         | common breeding bird and migrant                             |
| Short-toed Treecreeper  | <i>Certhia brachydactyla</i>      | common breeding bird and migrant                             |
| Penduline Tit           | <i>Remiz pendulinus</i>           | common breeding bird and migrant                             |
| Golden Oriole           | <i>Oriolus oriolus</i>            | common breeding bird and migrant                             |
| Red-backed Shrike       | <i>Lanius collurio</i>            | common breeding bird and migrant                             |
| Lesser Grey Shrike      | <i>Lanius minor</i>               | rare and irregular breeder of the southern part of the area  |
| Great Grey Shrike       | <i>Lanius excubitor</i>           | common migrant (+ winter visitor) and rare breeding bird     |

|                        |                                      |                                                                |
|------------------------|--------------------------------------|----------------------------------------------------------------|
| Jay                    | <i>Garrulus glandarius</i>           | common breeding bird and migrant                               |
| Magpie                 | <i>Pica pica</i>                     | common breeding bird and migrant                               |
| Nutcracker             | <i>Nucifraga caryocatactes</i>       | uncommon migrant (+ winter visitor)                            |
| Jackdaw                | <i>Corvus monedula</i>               | common breeding bird and migrant                               |
| Rook                   | <i>Corvus frugilegus</i>             | common breeding bird and migrant                               |
| Hooded Crow            | <i>Corvus corone cornix</i>          | common breeding bird                                           |
| Raven                  | <i>Corvus corax</i>                  | common breeding bird                                           |
| Starling               | <i>Sturnus vulgaris</i>              | common breeding bird and migrant                               |
| Rose-coloured Starling | <i>Sturnus roseus</i>                | uncommon migrant (annual) and rare (+ irruptive) breeding bird |
| House Sparrow          | <i>Passer domesticus</i>             | common breeding bird                                           |
| Tree Sparrow           | <i>Passer montanus</i>               | common breeding bird                                           |
| Chaffinch              | <i>Fringilla coelebs</i>             | common breeding bird and migrant                               |
| Brambling              | <i>Fringilla montifringilla</i>      | common migrant (+ winter visitor)                              |
| Serín                  | <i>Serinus serinus</i>               | common breeding bird and migrant                               |
| Greenfinch             | <i>Carduelis chloris</i>             | common breeding bird                                           |
| Goldfinch              | <i>Carduelis carduelis</i>           | common breeding bird                                           |
| Siskin                 | <i>Carduelis spinus</i>              | common migrant and rare breeding bird                          |
| Linnet                 | <i>Carduelis cannabina</i>           | common breeding bird and migrant                               |
| Twite                  | <i>Carduelis flavirostris</i>        | rare migrant                                                   |
| Redpoll                | <i>Carduelis flammea</i>             | uncommon migrant                                               |
| Crossbill              | <i>Loxia curvirostra</i>             | uncommon migrant and irregular breeding bird                   |
| Scarlet Rosefinch      | <i>Carpodacus erythrinus</i>         | vagrant                                                        |
| Bullfinch              | <i>Pyrrhula pyrrhula</i>             | uncommon migrant and irregular breeding bird                   |
| Hawfinch               | <i>Coccothraustes coccothraustes</i> | common breeding bird and migrant                               |
| Snow Bunting           | <i>Plectrophenax nivalis</i>         | rare migrant                                                   |
| Yellowhammer           | <i>Emberiza citrinella</i>           | common breeding bird and migrant                               |
| Rock Bunting           | <i>Emberiza cia</i>                  | uncommon migrant and rare breeding bird                        |
| Ortolan Bunting        | <i>Emberiza hortulana</i>            | vagrant                                                        |
| Reed Bunting           | <i>Emberiza schoeniclus</i>          | common breeding bird and migrant                               |
| Black-headed Bunting   | <i>Emberiza melanocephala</i>        | vagrant                                                        |
| Corn Bunting           | <i>Miliaria calandra</i>             | common breeding bird and migrant                               |
